

SPEAKER: A, Senator Duis pardon me, but we have, I'd like to make an introduction here and acknowledge the presence in the south balcony of, maybe they're just coming in here, but any way, 66 students and 15 adults with their teachers, from Avery School in Bellevue, that's in Senator Frank Lewis's district. We're glad to have you here. Senator Duis.

SENATOR DUIS: A, Mr. President, I ask suspension of the rules and place this Legislative bill on general file without a hearing. This merely is a typographical error as it went off enrollment and review final, into final reading and came out engross with merely a letter B, where a letter A, should have been in the language of the bill. It is a typographical error, so I asked suspension of the rules and it be put up, general file without a hearing.

SPEAKER: Senator Stahmer, then Senator Chambers.

SENATOR STAHMER: Mr President, members of the body, I'd like to support Senator Duis in this request and I'm familiar with this subject and it is strictly a typographical error in a bill and I think we need this to clean the house on this bill.

SPEAKER: Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker, members of the Legislature, I also support Senator Duis's motion and I would like to say that at if at the time this bill was to be signed, Senator Proud had been acting Governor rather than Governor Exon. I think this mistake would have been caught. This is carelessness. Especially after the close scrutiny he gave to LB 12 and indicated that he read every word, a bill, line by line, word by word, period by period, semi-colon, by semi-colon, and so forth. I think Senator Duis has meritorious motion. We ought to support it and counsel the Governor to be more careful in the reading of the bills which he places his signature on.

SPEAKER: Any further discussion? Are you ready for the question? The questions is, shall the rules be suspended and this bill be placed on general file without a public hearing? All those in favor vote aye. Those opposed vote no. Have you all voted? Clerk will record.

CLERK: 31 ayes, no nays on the motion to suspend the rules and place the bill, introduce the bill and place it on general file without a public hearing.

SPEAKER: Motion passes and the bill is now on general file. The chair would like to reintroduce, now that their all here. We haven't coordinated our notes up here very well with the, when the students get here. These 66 students and their teachers and 15 adults from Avery School in Bellevue and it just so happens, that Senator Lewis is Frank Lewis's daughter is among them. Trudy, Trudy would you please stand? Thank-you. What is on the clerks desk?

CLERK: A, we should read the title Mr. President to LB 580. It is a constitutional requirement.

SPEAKER: Clerk will read the title

CLERK: LB 580, introduced by Senator Herbert J. Duis, 39th District, (Read) We have an announcement the Executive Board will meet at 12:00 noon. The Executive Session and also at 4:00 signed R. D. Marvel, chairman.

SPEAKER: Senator Duis, were you asking for the floor?
